SCHEDULE OF TOWN PROPERTY

Town Hall - Lands, Buildings and Equipment	591,088
Library - Land & Buildings	118,600
Police Department	16,979
Fire Department - Land Buildings & Equipment	425,994
Highway Department - Land, Buildings & Equipment	67,200
Parks, Commons & Playgrounds	154,000
Schools - Land, Buildings & Equipment	2,355,500

GENERAL INFORMATION

Inventories are required in Chichester and are due April 15.

Tax bills are due semi-annually.

The last day to appeal your property tax is March 1 following the end of the tax year of appeal.

Exemptions allowed in Chichester are the Elderly, Veteran, Handicap, Blind, Disability, and Solar.

SELECTMEN'S COMMENTS

During 1997, considerable work was done in the Community Building in addition to the renovations the Historical Society did in their section. The kitchen floor was replaced, plumbing repaired and relocated, the hall stairs were painted and the roof was repaired.

Much needed emergency lighting was installed for the town offices. The tax collector's office and the selectmen's office have been moved - same area different doors.

Under the able direction of the road agent, the parking area at the Grange Hall was nicely paved. We've already noticed a reduction in the amount of rocks and dirt tracked into the building.

The Police Department has been relocated to the new public safety building. It is located to the right and down the hill from the main entrance to the fire station.

The Selectmen would like to remind everyone that they are responsible for the maintenance of their driveway culverts. They need to be unplugged from time to time. We'd also like to remind everyone to get their yearly inventory form returned on time and save themselves a penalty.

An ordinance was established in regard to snow plowing. It is now unlawful to plow snow in or across the road. This new ordinance will allow our highway crew a safer experience.

The Selectmen would like to thank Clark's Grain Store for their donation of cement blocks for the use of the Old Home Day Committee. Thanks also to the Old Home Day Committee for another enjoyable day.

Jeffrey Jordan
Frederick Fenton
Theodore Bailey

1997 Town Meeting Minutes

The day was snowy and cold. Barbara Frangione offered the prayer. The moderator was Earl Weir. The meeting opened at 10:00 AM.

The results of the election of officers (Article 1) is as follows:

- 1 .
- | | |
|---|--------------------------------------|
| <u>Selectman for 3 years:</u> | <u>Tax Collector for 1 year:</u> |
| Theodore Bailey 287 | Evelyn Pike 416 |
| Stephen MacCleery 138 | |
| <u>Town Clerk for 1 year:</u> | <u>Treasurer for 1 year:</u> |
| Judy Kenneally 409 | Rebecca Herbert 387 |
| <u>Library Trustee for 3 years:</u> | <u>Budget Committee for 3 years:</u> |
| Margaret Haskett 399 | |
| <u>Checklist Supervisor for 1 year:</u> | <u>Moderator for 2 years:</u> |
| Carmella Becker 379 | Douglas Hall 347 |
| <u>Trust Fund Trustee for 2 years:</u> | <u>Road Agent for 3 years:</u> |
| William Haskett 376 | William Stevens 379 |
| <u>Cemetery Trustee for 2 years:</u> | <u>Cemetery Trustee for 3 years:</u> |
| Eleanor Daroska 401 | Rebecca Herbert 391 |

Article 2 through article 10 was continued at the deliberative session of the Annual Town Meeting on Saturday, March 15, 1997 beginning at 10 o'clock in the forenoon at the Grange Hall.

The meeting opened at 10:00AM. The moderator was Earl Weir. Mr. Weir conducted the meeting according to Robert's Rules of Order. The day was sunny but cold. Reverend Oden Woodward offered the prayer. Evelyn Pike was recognized as citizen of the year.

- 2 . To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same. (Recommended by the selectmen)

4215 Increased to \$75,000

It was moved and seconded to accept the sum of **\$742,466** to defray the Town charges as printed in the 1997 town budget.

Article passed.

It was moved and seconded to move article 8 to the floor. Motion passed.

8 . To see if the Town will vote to oppose the truck weigh station proposed by the State of NH-DOT. The proposed location is in Chichester on Dover Road on the corner of Dover Road and Chichester Lane and identified as map 3, lot 9. (Recommended by the selectmen)

Article passed.

3. To see if the Town Will vote to modify the elderly exemptions from property tax in the Town of Chichester, until rescinded, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, \$15,000; for a person 75 years to 80 years, \$22,000; for a person 80 years or older \$30,000. To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$15,000 or, if married, a combined net income of less than \$25,000; and own net assets not in excess of \$50,000. (Recommended by the selectmen)

Article passed.

4. To see if the Town will vote to raise and appropriate the sum not to exceed \$5,000 for the purpose of renovating a room at the new fire station to be occupied by the police department. (Recommended by the selectmen)

It was moved and seconded to pass over article 4. Motion defeated.

Amendment:

To see if the Town will vote to raise and appropriate the sum not to exceed \$5,000 for the purpose of renovating a room at the new fire station to be occupied as determined by the selectmen.

**Amendment passed.
Amended article passed.**

5 . To see if the Town will vote to raise and appropriate a sum not to exceed \$4,000 to identify space at the new fire station for community assembly and to identify funds and schedule required to provide this vitally needed community facility. (Not recommended by the selectmen)

Article passed over.

6. To see if the Town will vote to raise and appropriate \$11,000 to pave the Grange Hall parking lot. (Recommended by the selectmen)

Amendment:

To see if the Town will vote to raise and appropriate \$11,000 to pave the Grange Hall parking lot provided it is approved by a town engineer.

**Amendment passed.
Amended article passed.**

7. To see if the Town will vote to raise and appropriate \$70,000 (Seventy thousand dollars) to be added to the following capital reserve funds and to authorize the use/transfer of the December 31, 1996 unreserved-undesignated fund balance for this purpose. (Majority vote required)
(Recommended by the selectmen):

Town Reappraisal	\$10,000	Town Facilities	\$ 5,000
Police Cruiser	10,000	Library	2,000
Office Equipment	15,000	Rescue Truck	2,000
Town Bridges	5,000	Fire Station	0
Town Roads	5,000	Septic Disposal	0
Fire Truck	10,000	Conservation	0
Highway Heavy Equip	6,000		

Article passed.

9. To see if the Town will vote to open and maintain a section of Deer Run Road, so called, converted from a class six highway to a class five highway. This section extends about six hundred feet with a turn-around constructed at the end of said highway. (By petition) (Recommended by the selectmen)

Amendment:

To see if the Town will vote to accept a section of Deer Run Road, so called, as a class five highway. This section extends about six hundred feet with a turn-around constructed at the end of said highway.

Amendment passed.

Amendment:

To see if the Town will vote to accept a section of Deer Run Road, so called, as a class five highway. This section extends about six hundred feet from Highland Drive with a turn-around constructed as the end of said highway.

Amendment passed.

Article passed.

10. To transact any other business that may legally come before said meeting.

A round of applause was given to retiring selectman Dennis Call, retiring moderator, Jack Sargent and acting moderator, Earl Weir.

Walter Sanborn thanked the town for allowing the Historical Society to use the community building.

A space needs study committee will be organized to evaluate the needs of community groups.

The meeting adjourned at 1:47PM.

Respectfully submitted,

Judy Kenneally
Town Clerk

A true copy attest: 

THE STATE OF NEW HAMPSHIRE
THE POLLS WILL BE OPEN FROM 10:00 AM TO 7:00 PM

TOWN OF CHICHESTER

COUNTY OF MERRIMACK

1998

WARRANT

To the inhabitants of the Town of Chichester in the County of Merrimack in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Grange Hall in said Chichester on Tuesday, the 10th day of March, 1998 next at 10 o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing. (Ballot)

Article 2 through article 26 will be taken up at the second session of the Annual Town Meeting on Saturday, March 14, 1998, beginning at 10 o'clock in the forenoon at the Grange Hall.

2. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same. (Recommended by the selectmen)

3. Shall we adopt the August 1 prior to the setting of the tax rate as the date for filing for the elderly exemption from the property tax? (Recommended by the Selectmen)(**Ballot vote**)

4. To see if the Town will vote to adopt, until rescinded, the provisions of RSA 202-A:4-d, authorizing the Library Trustees to accept gifts of personal property, other than money, which may be offered to the Library for any public purpose, provided however, that no acceptance of personal property by the Library Trustees shall be deemed to bind the Town or the Library Trustees to raise, appropriate or expend any public funds for the operation, maintenance, repair, or replacement of such personal property. (Recommended by the Selectmen)

5. To see if the Town will vote to raise and appropriate \$12,000 (Twelve thousand five hundred dollars) to renovate the exterior of the Library building: \$8,000 (Eight thousand dollars) to be taken from the Library Capital Reserve Fund and the remainder, \$4,500 (Four thousand five hundred dollars) to be raised in taxes. (Recommended by the Selectmen)

6. To see if the Town will vote to raise and appropriate \$12,000 (Twelve thousand dollars) to bullet-proof the foyer of the Town offices. (Recommended by the Selectmen)

7. To see if the Town will vote to raise and appropriate \$90,000 (Ninety thousand dollars) to be added to the following capital reserve funds and to authorize the use/transfer of \$45,000 (Forty-five Thousand dollars) of the December 31, 1997 unreserved-undesignated fund balance for this purpose, \$45,000 (forty-five thousand dollars) to be raised in taxes. (Majority vote required) (Recommended by the selectmen):

Town Reappraisal	\$	10,000
Police Cruiser		10,000
Office Equipment		15,000

Town Facilities	\$	5,000
Library		2,000
Rescue Truck		2,000

Town Bridges	5,000	Fire Station	0
Town Roads	21,000	Septic Disposal	0
Fire Truck	10,000	Conservation	0
Highway Heavy Equip	10,000		

8. To see if the Town will vote to open and maintain a section of Short Falls Road, so called, as a Class Five road 1550 feet from Leavitt Road to the east most side of the Marsh property marked by a stone wall and identified as map 4, lot 58f. (Recommended by the selectmen)

9. To see if the Town will vote to raise and appropriate the sum not to exceed \$27,000 (Twenty-seven thousand dollars) for the purpose of purchasing a new computer system. \$20,000 (Twenty thousand dollars) will be withdrawn from the Office Equipment Capital Reserve Fund and \$7,000 (Seven thousand dollars) will be raised in taxes. (Recommended by the Selectmen)

10. To see if the Town will vote to raise and appropriate the sum not to exceed \$5,500 (Five thousand five hundred dollars) to erect a Veteran's memorial. (Recommended by the Selectmen)

11. To see if the Town will vote to open and maintain the Class VI portion of Towle/Mason Road making it a through road and to withdraw a sum not to exceed \$10,000 (Ten Thousand dollars) from the Town Roads Capital Reserve Fund for that purpose.. (Recommended by the Selectmen)

12. To see if the Town will vote to raise and appropriate the sum not to exceed \$11,000 (Eleven Thousand dollars) for the purpose of leasing a fire truck and to authorize the Selectmen to enter into a yearly renewable contract with a non-funding escape clause for the lease of said vehicle. Future payments will be approximately \$29,000 (Twenty-nine thousand dollars) per year for a period of 10 years, at which time the Town will own the vehicle. (The intent of this article is to make a down payment of the lease-purchase of a fire truck. The part about the future payments is meant to only be informational) (Recommended by the Selectmen)

13. To see if the Town will vote to change the name of the Rescue Vehicle Capital Reserve Fund to the Rescue Vehicle and Equipment Capital Reserve Fund and to authorize the Selectmen to be agents to expend said capital reserve fund. (The intent of this article is to allow equipment as well as vehicles to be purchased from this fund) (Requires 2/3 majority vote) (Recommended by the Selectmen)

14. To see if the Town will vote to raise and appropriate \$5,345 (Five thousand three hundred forty five dollars) to be added to the Rescue Vehicle and Equipment Capital Reserve Fund and to authorize the use/transfer of the December 31, 1997 unreserved-undesignated fund balance for this purpose. (The intent of this article is to use money which has been received from ambulance billing receipts to fund the future purchase of vehicles and equipment) (Recommended by the Selectmen)

15. To see if the Town will vote to withdraw \$1500 (Fifteen hundred dollars) from the Highway Heavy Equipment Capital Reserve Fund to purchase a plow and wing for the Highway Department. (Recommended by the Selectmen)

16. To see if the Town will vote to establish the Police Office Equipment Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing a computer system for the Police Department and to raise and appropriate the sum of \$1,200 (Twelve hundred dollars) to be placed in said fund and to designate the Selectmen as agents of the Town for said capital reserve fund. (Recommended by the Selectmen)

17. To see if the Town will vote to authorize the Selectmen to withdraw the sum of \$7,760 from the Police Cruiser Capital Reserve Fund to make the final payment of the 1996 police cruiser 3-year lease. (Recommended by the Selectmen)

18. To see if the Town will vote to raise and appropriate the sum of \$11,900 to enter into a lease-purchase agreement for the purpose of acquiring and outfitting a 1998 police cruiser for the Police Department and to take the 1993 cruiser out of service. (Recommended by the Selectmen)

19. To see if the Town will vote to accept a 350 foot extension of Towle Road to be maintained as a Class V road by the Town, upgraded from a Class VI, and keep the remaining portion between Towle Road and Mason Road, a Class VI, subject to gates and bars. (By citizen petition) (Recommended by the Selectmen)

20. To see if the Town will vote to designate that portion of Towle/Mason Road, which is known as Towle Road from Horse Corner Road, a total of 2,755 feet as a scenic road per RSA 231:57 to preserve the country setting. (By citizen petition) (Not recommended by the Selectmen)

21. To see if the Town will vote to establish a Capital Reserve Fund to provide matching funds for a Federally funded Transportation Enhancement Program (TEP) grant to construct a pedestrian/bicycle pathway between the Chichester Central School and Carpenter Park. And to raise and appropriate \$5000 (Five Thousand dollars) for this fund. (By citizen petition) Not Recommended by the Selectmen)

22. To see if the Town will vote to raise and appropriate \$1000 (One Thousand dollars) to make the main assembly room at the new Fire Station handicap/elderly accessible and provide storage space and other required facility alterations to permit use as a Town Community Room. (By citizen petition) (Not Recommended by the Selectmen)

23. To see if the Town will vote to raise and appropriate \$2000 (Two Thousand dollars) to develop a beach and picnic area at Deer Meadow Pond on land donated to the Town by Frank Merrill. (By citizen petition) (Not recommended by the Selectmen)

24. To see if the Town will vote to reconstruct a portion of Ferrin Road and to withdraw a sum not to exceed \$10,000 (Ten Thousand dollars) from the Town Roads Capital Reserve Fund for that purpose. (Recommend by the Selectmen)

25. To see if the Town will vote to raise and appropriate the sum of \$2,046 (Two thousand forty-six dollars) to pay for certain studies of electric load profiles within the Town and other related research in furtherance of the possible aggregation of the Town's and/or its residents' and businesses' electric loads in the NHMA Pooled Energy Plan in preparation for deregulation of the electric industry in New Hampshire.

26. To transact any other business that may legally come before said meeting.

Given under our hands and seals this 6th day of February, in the year of our Lord nineteen hundred and ninety-eight.

If you have a line item of appropriations from more than one warrant article, please use the space below to identify the make-up of the line total for the ensuing year.

Acct.#	Warr. Art.#	Amount	Acct.#	Warr. Art.#	Amount

****SPECIAL WARRANT ARTICLES****

Special warrant articles are defined in RSA 32:3, VI, as appropriations 1) in petitioned warrant articles; 2) appropriations raised by bonds or notes; 3) appropriating to a separate fund created pursuant to law, such as capital reserve funds or trusts funds; or 4) an appropriation designated on the warrant as a special article or as a nonlapsing or nontransferable article.

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Chichester
Chichester, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Chichester as of and for the year ended December 31, 1997 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Chichester has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Chichester, as of December 31, 1997, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of Town of Chichester taken as a whole. The combining and individual fund financial statements listed as schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Chichester. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

Respectfully submitted,

Judy Kenneally
Town Clerk

CHICHESTER POLICE DEPARTMENT

1997

This year was an eventful year for the police department. After years of working out of one office or sharing an office we moved into the fire station this winter. We are still in the basement but what a nice basement. About 900 square feet was renovated to house the department. For those of you who have not seen it yet we encourage and welcome your visit. We now have enough room for everyone to have a little "space" of their own, a separate booking and interview room and a much needed secured evidence room. Believe it or not "breathing room" makes a big difference in morale, attitude and work efficiency. We want to take this opportunity to offer a great big THANKS to Ed Drew for all his help and support of the police department. He's been there right along and continues to help and support.

This year (march 1998) is the end of the COPS grant that allowed us to hire a full time officer 3 years ago and we think has and is earning its keep. This position has allowed us to almost double the local coverage by our own department. Although the 3 year grant ends in March of 1998 we have been allowed to request an extension to use all the monies granted to us still unused. I have already sent the paperwork for a 6 month extension of the monies. With the activity we have been seeing and the coverage the Town is now getting we find it hard to believe there is a possibility this position could be eliminated. The loss to the Town of Chichester for now and in the future would be difficult to measure but we can not believe eliminating the position would be beneficial to the Town or to its citizens.

The department had 42 arrests of which 30 resulted in criminal action being persued in Concord District Court and 2 in Merrimack County Superior Court. Ten arrests were either for protective custody or arrests on warrants. We issued 115 motor vehicle summons 302 written warnings and too many verbal warnings to count. The department investigated 108 incidents of criminal activity and 35 incidents related to motor vehicle law. Following is a breakdown of activities.

CHICHESTER POLICE DEPARTMENT

1997

ALLOW. IMPROPER PERSON	1
ATTEMPTED THEFT	2
ATTEMPTED BURGLARY	2
BURGLARY	10
CHILD ABUSE/NEGLECT/ASSAULT	5
CONDUCT AFTER ACCIDENT	2
CRIMINAL MISCHIEF	16
CRIMINAL THREATENING	5
CRIMINAL TRESPASSING	2
DEPARTMENT ASSISTS	124
DRIVING WHILE INTOX.	9
EMERGENCY DVO's	3
FALSE REPORTS	1
HARASSMENT	6
JUVENILE RELATED	17
NEIGHBORHOOD DISPUTES	11
OBSTRUCTING REPORT	1
OPERATING AFTER SUSP/REV.	10
OPEN CONTAINER	3
POSS.OF ALCOHOL/DRUGS	11
RECKLESS OPERATION	4
SERVICES	90
SIMPLE ASSAULT	12
2nd. DEG. ASSAULT	1
SUSPENSION OF REG.	1
SUSPICIOUS PERSON/VEH./ACTIV.	12
THEFT	15
TRANS. ALCOHOL BEV.	1
VANDALISM	6
MISC.	14

The stats listed above are easy to research and calculate. What is much more difficult to measure is the time officers spend from the initial call to the close or filing of an incident. Many hours are spent with investigations, phone calls, follow ups, sitting and talking with families and neighbors during their crisis, problem solving and the never ending paper work. Officer Walter has started safety classes in the school and we need to find the time for him to be there more often. Most training is done on our own time but is necessary to keep up skills and in some cases is mandatory. Again, we welcome your visits, comments, suggestions. Never hesitate to call as your concerns are our concerns.

A Police Officer

*The main responsibility
Each officer is known for
Is to be there when we need them
To help enforce the law
Because the world is changing so
Tough times, more drugs, more stress
Each time an officer reports for work
They must be at their best
The risks involved are many
And not just theirs alone
They make quick and tough decisions
Facing dangers, some unknown
They are often taken for granted
Though their jobs some days prove rough
A job deserving of pride and respect
Which they don't get often enough
Let's praise our many officers
And thank them for jobs well done
You can't know just how much it means
Unless, of course, you're one...*

Poetry by Maureen Philbrook ©

Road Agent's Report

I would like to thank everyone for their patience and understanding in 1997 about the potholes in the dirt roads. Because of the dry year I had to weigh the decision of whether to fix the potholes with grading and raking against the amount of dust it would create for the houses nearby. I sided with letting people enjoy their outdoor barbecues and enjoy the summer weather. I kept thinking I would grade and rake as soon as it rained, but the rain didn't come nearly often enough to keep the potholes under control. Hopefully, next year the weather will be on a more even keel!

In 1997 we paved Burnt Hill Rd. and shimmed part of Center Road. We also paved Deer Meadow Rd. after we realigned the end that comes out onto Main St. This was done with safety in mind and the aid of the state. We improved two bad corners also. One was on Short Falls Rd. and the other was on Granny Howe Rd. Much thanks to John Saturley for his permission to cut into his land on Granny Howe to make that corner safer. We kept busy in between projects by doing a lot of ditching and replacing some culverts.

This year I hope to put gravel on a lot of dirt roads, continue ditching and replacing culverts, and grade roads more, if the weather cooperates. As far as paving goes, I would like to pave at least one dirt road a year. This year I hope to pave Cross Rd., as well as Lane Rd., and one more road in the Five Hills Estate. There has been some concern about the narrowness of Smith Sanborn Rd. which I plan to look into this year.

I would like to thank my road crew for always being there for me all year, especially Christmas. While most of you were enjoying your Christmas with your families, my crew were out sanding the roads as fast as the rain was washing it away, so you would be able to get to your family gatherings. When I called them out, I told them I would understand if they needed to be home, but every one of them showed up and stayed until the job was done! I just wanted to thank them again and let the town know what a dedicated crew we have!

Once again I would like to thank you all for your help and continuing support though out the year.

Road Agent

TOWN OF CHICHESTER

FIRE - RESCUE DEPARTMENT

1997 Annual Report

This past year has again proven to be very busy for the members of your volunteer fire - rescue department. This year we answered 256 calls for assistance, a 30% increase from last year. We also held weekly training sessions and drills, conducted equipment maintenance, and were active in Town activities, such as Old Home Day. Several fire safety education classes were given to local school children.

The biggest change for members of Chichester Fire - Rescue occurred on July 1st. After many months in planning, this was the date that our members, along with the members of Loudon Fire - Rescue, began a cooperative venture to provide 24 hour ambulance service to the members of our communities. This change took place because Raceway Ambulance Service had notified us at the end of 1996 that they no longer desired to provide ambulance service to our Towns. Both Departments worked together to come up with a plan which would keep local control of our ambulance service, and give our communities more service for less money than it would cost to have a private contractor provide ambulance service. We have been very pleased with how this effort has worked out, and have received many favorable comments from the people we have transported to the hospital. As part of Chichester Fire - Rescue's plan to provide transport service, the present Rescue 1 was converted strictly to ambulance usage, and a used rescue truck was purchased to carry an air bottle refilling station and the extrication equipment which was formerly carried on Rescue 1.

In this year's Town Warrant there will be an article appearing which requests that money received from ambulance billing go into a Capital Reserve Fund to buy major pieces of rescue equipment, such as a defibrillator, as well as fund the purchase of future rescue vehicles. In operating the ambulance service it is necessary to plan to have funds available to buy this type of equipment when it becomes worn-out, or outdated. By putting the revenue from ambulance billing into this fund it should not be necessary to request additional money to be raised by tax dollars to purchase future vehicles and major pieces of equipment. Using billing revenue also distributes the cost of buying rescue related equipment to those who use the service, whether they are from Chichester or out of town. We also have an article requesting that the old Capital Reserve Fund, which only allows for the purchase of vehicles, be closed out and the money in that fund be put into the new fund.

During this past year we have also had a New Engine Committee putting together specifications for the lease-purchase of a replacement fire pumper. Chichester Fire - Rescue uses a 8-10 year apparatus replacement program for its three pumper-tanker trucks. By rotating the apparatus through various positions of usage within the department we are able to make each truck last from 25 to 30 years. This year we plan to lease-purchase a new attack pumper, which will result in the our oldest truck, a 1974 model, being removed from service. The new pumper will provide fully enclosed seating for all personnel, and will give us the ability to carry more equipment that we can presently carry on our existing attack pumper. The truck which will be removed from service is in need of numerous

repairs, the total of which actually exceed the value of the truck. We would ask your support of this warrant article.

If you would like more specific information regarding these warrant articles prior to Town Meeting please contact Deputy John Prickett at 798-5690 or Chief Sanborn at 798-5050.

I would like to take this opportunity to recognize some of the activities of the Chichester Firefighters Association. This organization, which is comprised of members of the fire - rescue department, has conducted many fund-raisers throughout the year. Proceeds from these fund-raisers are used to purchase equipment for the fire trucks and station, provide firefighter benefits, and support community activities. Members again supported a youth baseball team this past spring. Donations from the Association were sent to the Jeremy Charron Memorial Fund and to the Pittsburg, NH Fire Department Building Fund in memory of State Trooper Leslie Lord, who was also the fire chief in Pittsburg. Association members established a fund this year which will be used for the historical preservation of items related to the history of firefighting in the Town of Chichester. I would like to give a public thank-you to members of the Association for their financial support in purchasing items for the Department.

We once again would like to extend an invitation to anyone interested in finding out more about the Chichester Fire-Rescue Department. We need firefighters, firefighter/emergency medical technicians (EMT's), EMT's, and support personnel. If you are willing to commit the necessary time, we will supply the training and equipment. Stop by the station any time for a visit, or to pick up a membership application.

The Members of the C.F.D. would like to thank you for the support, both financial and moral, you have given us during this past year.

Respectfully submitted,
Paul W. Sanborn,
Fire Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1997 fire season was a safe period for wildland firefighters with no major injuries reported. The drought conditions experienced during the early summer months was a significant factor resulting in the total number of fires reported during the season.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Annual Report of Building Official

The 1997 Permit activity showed an increase over the 1996 level. Many inquiries were made regarding building regulations in Chichester. There were a total of 56 building permits issued compared to a total of 29 permits issued in 1996. The breakdown is as follows:

New dwellings.....	22
Dwelling additions or renovations.....	10
New commercial building.....	1
Commercial additions or renovations.....	3
Mobile home placement for elderly.....	2
Apartment added for elderly.....	0
Private garages.....	2
Barns or sheds.....	12
Miscellaneous (i.e. swimming pool, etc.).....	4

The increase for new family dwelling went from "14" in 1995, to "8" in 1996, to "22" in 1997. The increase for new commercial buildings, renovations or additions went from "0" in 1995, to "1" in 1996, to "4" in 1997.

There were other inspections done which were not related to permits issued for this year or other previously issued permits.

Building Permit forms are available in the lobby of the Town Offices or by contacting the Building Inspector. Acquiring a blank Building Permit form prior to contacting the Building Inspector assures that you will come ready with the required information. A Building Permit cannot be issued for a new family home or new commercial construction without an approved waste disposal "septic" system from the State of New Hampshire Water Supply and Pollution Control Division and a driveway design approval from the Town Road Agent.

The Town's current Building Codes are the 1996 BOCA Building and Fire Prevention codes, the 1988 Life Safety Code, as well as locally adopted codes which are more stringent. State law also requires that all new structures as well as structures which are being improved to more than 50% of their assessed value be in compliance with the NH State Energy code. The addition of bed or bathrooms may also require your septic system to be reviewed.

The Building Inspector is available almost any time, if you have any questions regarding work being done or you need an inspection do not hesitate to call. If hiring contractors you should not hesitate to check their credentials or references.

Respectfully submitted,
J. David Paveglio

Chichester Town Library

1997 Report

This year we were again able to build on the foundation of the many library volunteers who preceded us. We have stated many times and are justified in restating again, this is a library of VOLUNTEERS. Many of the towns around us have often expressed their amazement when they find out what has been accomplished in this library by our force of dedicated volunteers. Through the efforts of this force, this library went from manual check out and on old card catalogue to a computerized operation in a little over two years.

Building on this foundation this year has seen us progress in two major areas.

1. Small libraries such as ours traditionally borrow more books through the Inter-Library-Loan Program than we lend. This places an unfair burden on the larger libraries. We have expanded our holdings on the state data base significantly this year and hope to have all our holdings listed within two years. Even though there is no practical way of measuring this effort, we do have an indicator of our success in that we are coming closer to the goal of lending as many books as we borrow.

2. We have been checking books in and out and using the computer catalogue for over a year. The process runs smoothly with very few problems. The remaining part of the task is to enter the books that were "missed" onto the data base and to "clean up" the records. We expect this to be an ongoing task but hope to have the bulk of this work accomplished by the year 2000.

The following companies and individuals donated time, money and services: "Cable Vision", "Inter Webb" of Loudon, "Yankee Data Group" of Merrimac, TDS Telecom (Chichester Telephone Company) and Jeff and Bill Haskett, enabling the library to offer a public access computer with two encyclopedias, a CD ROM of the topographical maps of New Hampshire, a word processing program, and internet access. Respectfully submitted,

Harold Arey
librarian
for the trustees,
Shirley Waters
Patricia Hauck
Margaret Haskett

REPORT OF THE CHICHESTER HISTORICAL SOCIETY

This is the second annual report of the Historical Society and includes some of our accomplishments of the past year and future goals.

Last year's report centered on the restoration of the building and dedication of our opening of the museum.

The restoration of the Haines buggy has been completed by members of the society at a minimum of expense, over having it done by a professional restorer outside of the community.

We have had three special exhibits during the year by selecting special subjects. One was "Celebrating 100 Years of the Automobile", the second "Farming in Chichester", and presently an exhibit on "Chichester Schools".

We also decided to open the building on Tuesday nights from 6:30 to 8:30 P.M. which we did August through November, but it did not prove very successful. Public input is suggested so the Society can schedule when to be open in the future. Also, anyone is welcome to volunteer to serve on committees we have set up to provide history programs, exhibits, publicity and membership.

We are exceedingly pleased with the artifacts that have been donated during the past year, some of Civil War Origin. Some of the town-appropriated money was used to purchase several show cases for these exhibits.

One of our priorities now is to install a security alarm system in the building to protect historical artifacts which have been given to the town. Also, many of the old town records once stored in the town vault are now in the possession of the Historical Society in the Historical building.

Come join us. We meet in the hall bi-monthly - January, March, May, July, September and November, on the 2nd Thursday of the month at 7:30 P.M.

ANNUAL REPORT OF THE TOWN OF CHICHESTER

The Concord Regional Visiting Nurse Association continues to offer three major health services to the residents of Chichester: Home Care, Hospice and Community Health Services.

Home Care services respond to the health care needs of those patients with acute or chronic illnesses that require skilled professional and para-professional care so they may return to or remain in their homes. Emphasis is on promoting independence and maximum functioning of the patient within the least restrictive setting.

Hospice services provide professional and para-professional services to the terminally ill patient with a limited life expectancy. The goal is to enhance the quality of the patient's remaining life by helping he/she remain at home in comfort and dignity. Emphasis is on pain and symptom management and skilled intervention to meet the patient's special physical, emotional and spiritual needs.

In April of 1994 Hospice expanded its services to provide residential care with the opening of New Hampshire's first Hospice House. To date, this house has provided a home to approximately 248 terminally ill residents.

Community Health services include health education, health maintenance and preventive health services. The program includes preventive care, adult and senior health, child health, Baby's First Homecoming, immunizations for all ages, school linked clinics, parent education and support, health education, nutritional counseling.

Community Health includes health promotion services which focus on the low and marginal income families and individuals to prevent illness by professional assessment and screening for health risks and needs, by early intervention to prevent, eliminate, or minimize the impact of illness and/or disability, and by anticipatory guidance and health teaching. Emphasis is on promoting healthy children, families and individuals through early intervention and health teaching. Services rendered in the clinic setting are: child health, adult screening, and immunizations. Home visits are made in crisis situations or when needed health care cannot be given in the clinic. Senior health services are provided at congregate housing sites.

Professional and para-professional hourly home services are provided on a private fee-for-service basis. Health education and instruction are part of each home visit or clinic visit.

Anyone in Chichester may request service; patient, doctor, health facility, pastor, friend or neighbor. All requests are answered, but continuing home care will only be provided with a physician's order.

A call to Concord Regional Visiting Nurse Association (224-4093) is all that is necessary to start services or make inquiries. The CRVNA office is open Monday through Friday from 7:30am to 5:00pm. A nurse is on call for hospice and home care patients; (224-4093) 4:30pm - 7:30am daily.

Federal regulations specify a charge is applicable to all visits. Fees are scaled for the individual without health insurance and/or who is unable to pay the full charge. However, to fee scale, federal regulations require a financial statement be completed by the patient or responsible person. Town monies subsidize those visits that are scaled or that no fee is collectible.

This agency is certified as a Medicare/Medicaid Provider, licensed by the State of New Hampshire, accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) and is a member agency of the United Way of Merrimack County.

Total visits made during October 1, 1996 through September 30, 1997:

	No of Clients	Visits
Home Care/Hospice	43	856
Community Health Services	125	247
	<hr/>	<hr/>

INFORMATION AND REFERRAL--CAP provides utility, landlord/tenant, legal and health counseling as well as referrals for housing, transportation and other life concerns. These support/advocacy services are not tracked.

UNH Cooperative Extension provides Merrimack County residents with research-based education and information, enhancing their ability to make informed decisions that strengthen youth, families, and communities, sustain natural resources, forests, wildlife and agriculture, and improve the economy.

As your local link to the University of New Hampshire, Cooperative Extension provides practical education to people of all ages.

Because of our partnership with Merrimack County, the State of New Hampshire and the Federal Government, we go by the special name of UNH Cooperative Extension. In every Merrimack County community, this partnership is at work, increasing economic development, enhancing the environment and developing human potential.

Extension educators provide informal educational programs in the areas of Natural Resources and Family, Community and Youth, advised and assisted by a local advisory council.

Merrimack County residents also benefit from statewide Extension programming. Among these many local and state efforts are monitoring water quality in our lakes and rivers, reducing the use of pesticides, parenting programs, 4-H and youth development programs, land use management, food safety, forest stewardship, family finances, meeting the needs of low income families, strengthening our communities, developing a strong volunteer base and providing research-based information to citizens.

A major statewide Extension initiative, Strengthening New Hampshire Communities, has impacted Merrimack County. County staff have worked with many of the communities in a variety of ways. The Community Profile was held in two communities in the past year. This community event works through a process to help community members create a vision about what they want their community to be like and then works through a process that helps form action groups to reach their goals. Follow up support is available from UNH Cooperative Extension staff.

Other community efforts include after school programs, teen assessment projects, land use management planning, wellness teams, town office visits, Master Gardeners, working with schools on maintenance of landscaped areas, and providing updated Extension publication notebooks to all town libraries.

The staff in Merrimack County includes nine Extension educators, two state specialists and three support staff. Educators reach approximately 1.5 out of every four families in the county.

Visit our **new** office, located next to the Merrimack County Nursing Home at 315 Daniel Webster Highway, Boscawen. We're open Monday-Friday, 8 AM until 4:00 PM. Or call us at 225-5505 and 796-2151 or find us on the Web at [HTTP://CEINFO.UNH.EDU](http://CEINFO.UNH.EDU).

**MINUTES OF THE CHICHESTER SCHOOL DISTRICT MEETING
MARCH 8, 1997**

The annual meeting of the Chichester School District was called to order by Moderator Marsh at 12:35 P.M. on March 8, 1997 at the Chichester Central School Multi-Purpose room.

Introductions were made as follows:

School Board Members--

Paul Twomey, Chairman

Douglas Hall

Robert Mann

School Administrative Unit #53 Official:

David Dziura, Assistant Superintendent

Gene Cote, Business Administrator

Chichester Central School Principal:

Martha Colwell

Chichester School District Clerk:

Carol Egan

Deputy Clerk--Rita Sargent

Deputy Moderator--Ray Towle

Supervisors of the Checklist

Attorney Theodore Comstock

Architects J. Urdy and D. Mires

A moment of silence observed by approximately 156 people, also the Pledge of Allegiance. Moderator Peter Marsh read the ground rules for the meeting. A motion was made by R. MacCleery and seconded by T. Scott to allow the non-residents to speak during the meeting.

Moderator Marsh called for action on the warrant as follows:

Article 1: TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE UP TO THE SUM OF NINE HUNDRED EIGHTY-SIX THOUSAND ONE HUNDRED NINETY-EIGHT (\$986,198) DOLLARS FOR THE PURPOSE OF CONSTRUCTING, FURNISHING AND EQUIPPING A NEW ADDITION TO AND THE RENOVATION OF THE CHICHESTER CENTRAL SCHOOL. NINE HUNDRED EIGHTY SIX THOUSAND ONE HUNDRED NINETY-EIGHT (\$986,198) DOLLARS OF SUCH SUM TO BE RAISED THROUGH THE ISSUANCE OF BONDS OR NOTES UNDER AND IN COMPLIANCE WITH THE MUNICIPAL FINANCE ACT (RSA Ch. 33:1 et seq.) AS AMENDED: TO AUTHORIZE THE SCHOOL BOARD TO APPLY FOR, OBTAIN AND ACCEPT FEDERAL, STATE, OR OTHER AID, IF ANY, WHICH MAY BE AVAILABLE FOR SAID PROJECT, AND TO AUTHORIZE THE SCHOOL

BOARD TO ISSUE, NEGOTIATE, SELL AND DELIVER SAID BONDS AND NOTES AND TO DETERMINE THE RATE OF INTEREST THEREON AND THE MATURITY AND OTHER TERMS THEREOF; AND TO AUTHORIZE THE SCHOOL BOARD TO TAKE ANY OTHER ACTION OR TO PASS ANY OTHER VOTE RELATIVE THERETO. (SCHOOL BOARD RECOMMENDS APPROVAL.) (A BALLOT AND 2/3 MAJORITY IS REQUIRED TO APPROVE THIS ARTICLE.)

Motion was made by S. MacCleery and seconded by N. Fraher to open up Article 1 to discussion. Explanations were made by several people. Motion was made by N. Fraher and seconded by J. Welch to accept Article 1 as written. Moderator Marsh explained a ballot vote with a 2/3 majority required and polls must be open for one hour. He moved to continue on while waiting for results.

Motion was made by J. Welch and seconded by P. Michaud to pass over Article 2 until voting results announced on Article 1.

Article 3: TO HEAR THE REPORTS OF AGENTS, AUDITORS, COMMITTEES, OR OFFICERS CHOSEN, AND TO PASS ANY VOTE RELATING THERETO.

Motion made by J. Denis and seconded by J. Luikmil to pass over Articles 3, 4, 5 and 6 and address Article 7. Motion defeated voice vote.

Motion made by S. MacCleery and seconded by T. Scott to accept Article 3.

MOTION CARRIES VOICE VOTE

Article 4: TO SEE IF THE DISTRICT WILL VOTE TO AUTHORIZE THE SCHOOL BOARD TO ACCEPT GIFTS AND DONATIONS FROM ANY SOURCE ON BEHALF OF THE SCHOOL DISTRICT.

Motion made by F. Fenton and seconded by S. MacCleery to accept Article 4. Motion carries voice vote.

ARTICLE 4 PASSED

Article 5: TO SEE IF THE DISTRICT WILL VOTE TO EXTEND THE F.I.C.A. EXCLUSION LIMIT, IN ACCORDANCE WITH THE SOCIAL SECURITY INDEPENDENCE AND PROGRAM ACT OF 1994, TO EXEMPT SCHOOL DISTRICT ELECTION WORKERS EARNING LESS THAN \$1,000 ANNUALLY FROM F.I.C.A. WITHHOLDING OBLIGATIONS.

Motion made by F. Fenton and seconded by T. Scott to accept Article 5 as written.

MOTION PASSES VOICE VOTE

Article 6: TO SEE IF THE DISTRICT WILL VOTE TO APPROVE THE COST ITEMS AS SET FORTH IN THE COLLECTIVE BARGAINING AGREEMENT REACHED BETWEEN THE CHICHESTER SCHOOL BOARD AND THE CHICHESTER EDUCATION ASSOCIATION FOR THE 1997/98 FISCAL YEAR, SAID ITEMS INCREASING THE COST FOR TEACHERS' SALARIES AND BENEFITS BY \$11,230 OVER THE 1996/97 SCHOOL YEAR, AND TO RAISE AND APPROPRIATE THE SUM OF \$11,230 TO FUND THESE COST ITEMS. (SCHOOL BOARD RECOMMENDS APPROVAL.)

Motion was made by N. Fraher and seconded by T. Scott to accept Article 6 as written.

MOTION PASSES VOICE VOTE

Motion made by F. Fenton and seconded by S. MacCleery to pass over Article 7 until votes are in on Article 1.

MOTION PASSES VOICE VOTE

Article 8: TO SEE IF THE DISTRICT WILL VOTE TO CREATE AN EXPENDABLE GENERAL TRUST FUND UNDER THE PROVISIONS OF RSA 198:20-c, TO BE KNOWN AS THE SPECIAL EDUCATION TRUST FUND, FOR THE PURPOSE OF MEETING THE DISTRICT'S LAWFUL OBLIGATION TO ITS SPECIAL EDUCATION STUDENTS AND TO RAISE AND APPROPRIATE THE SUM OF UP TO \$5,000 FROM THE JUNE 30, 1997 FUND BALANCE FOR THIS PURPOSE, AND TO DESIGNATE THE SCHOOL BOARD AS AGENTS TO EXPEND. (SCHOOL BOARD RECOMMENDS APPROVAL.)

Motion made by T. Scott and seconded by P. Prescott to accept Article 8 as written.

MOTION PASSES VOICE VOTE

Article 9: TO SEE IF THE DISTRICT WILL VOTE TO CONDUCT A PUBLIC DISCUSSION DURING THIS DISTRICT MEETING CONCERNING THE CITIZENS PETITION TO ADOPT SENATE BILL 2 (RSA 40:13) AT THE MARCH 11, 1997 TOWN ELECTIONS.

Motion was made by M. Brown and seconded by R. MacCleery to bring Article 9 to the floor. Mr. Comstock explained Senate Bill 2. Moderator Marsh officially closed polls. Discussion ensues. Motion was made by J. McKenzie and seconded by T. Phinney to close debate on Article 9.

MOTION PASSES VOICE VOTE

Article 1 results:

156 votes cast -- 102 YES 54 NO (104 YES-2/3)

ARTICLE 1 DEFEATED BY BALLOT VOTE

Under State law, five voters may request recount. Request was made.

Deputy moderator and clerk will recount ballots.

Motion made by D. Hall and seconded by Ms. Gagne to take up Article 7. Motion carries by voice vote.

Article 7: TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF \$46,400 FOR THE PURPOSE OF OPERATING A PUBLIC KINDERGARTEN FOR ALL ELIGIBLE CHILDREN IN THE DISTRICT. (SCHOOL BOARD RECOMMENDS APPROVAL.)

Mr. Marsh announced recount of Article 1, results identical to first count.

A motion amendment was made by P. Prescott and seconded by J. Denis to raise and appropriate the sum of \$196,800 for the purpose of operating a public kindergarten.

MOTION FAILS BY VOICE VOTE

Motion made by P. Twomey and seconded by P. Prescott to amend Article 7 to raise and appropriate the sum of \$63,042 for a kindergarten.

MOTION PASSES BY VOICE VOTE

Moved by Mr. Adams and seconded by K. Ruoff to table Article 7.

MOTION FAILS BY VOICE VOTE

Article 7 as amended has passed and reads: To see if the District will vote to raise and appropriate the sum of \$63,042 for the purpose of operating a public kindergarten for all eligible children in the district.

A motion was made by N. Fraher and seconded by R. Brooks to reconsider Article 1.

PASSED

A motion was made by M. Brown and seconded by S. MacCleery to apply Roberts Rules of Order.

MOTION DEFEATED BY VOICE VOTE

A motion was made by R. MacCleery and seconded by J. Bates to table Article 2 to the adjourned session.

MOTION CARRIED VOICE VOTE

Article 11: Motion was made by L. Randall and seconded by S. MacCleery to bring Article 11 to floor to pass over until Tuesday, March 11, 1997 at 10:00 A.M. at Grange.

Motion was made by L. Randall and seconded by S. MacCleery to adjourn school district meeting until two weeks from today (March 8) to Saturday, March 22, 1997 at 10:00 A.M.

MOTION CARRIED BY VOICE VOTE

Meeting recessed at 5:15 P.M.

March 22, 1997

Chichester School District meeting, recessed session brought to order by Moderator Marsh at 10:10 A.M. Moment of silence observed, Pledge of Allegiance recited by approximately 306 people in attendance. Mr. Marsh explained ground rules.

Article 1 brought to the floor. Open to discussion, Paul Twomey explained bond issue.

A motion was made by Ian Blackman and seconded by Gary Palmer to call the question.

MOTION PASSED BY SHOW OF HANDS -- 138 AYES / 113 NAYS

Polls opened for one hour, will reconvene in one hour.

A motion was made by J. Stremper and seconded by K. Ruoff to bring Article 10 to the floor.

MOTION PASSES VOICE VOTE

Paul Twomey reviewing budget by line.

Vote in on Article 1 --

306 votes cast -- 154 YES 153 NO (2/3 majority - 204)

ARTICLE 1 DEFEATED BY BALLOT VOTE

Motion made by S. MacCleery and seconded by L. Randall to suspend discussion of Article 10 to go to Article 2.

MOTION PASSED VOICE VOTE

Article 2: TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE UP TO THE SUM OF ONE HUNDRED EIGHTY THREE THOUSAND SEVEN HUNDRED THIRTY FOUR (\$183,734) DOLLARS FOR THE PURPOSE OF CONSTRUCTION AND RENOVATION WORK FOR THE HVAC, PLUMBING AND WATER DELIVERY SYSTEMS AT THE CHICHESTER CENTRAL SCHOOL. ONE HUNDRED EIGHTY THREE THOUSAND SEVEN HUNDRED THIRTY FOUR (\$183,734) DOLLARS OF SUCH SUM TO BE RAISED THROUGH THE ISSUANCE OF BONDS OR NOTES UNDER AND IN COMPLIANCE WITH THE MUNICIPAL FINANCE ACT (RSA Ch. 33:1 et seq.) AS AMENDED: TO AUTHORIZE THE SCHOOL BOARD TO APPLY FOR, OBTAIN AND ACCEPT FEDERAL, STATE, OR OTHER AID, IF ANY, WHICH MAY BE AVAILABLE FOR SAID PROJECT, AND TO COMPLY WITH ALL LAWS APPLICABLE TO SAID PROJECT; TO AUTHORIZE THE SCHOOL BOARD TO ISSUE, NEGOTIATE, SELL AND DELIVER SAID BONDS AND NOTES AND TO DETERMINE THE RATE OF INTEREST THEREON AND THE MATURITY AND OTHER TERMS THEREOF; AND TO AUTHORIZE THE SCHOOL BOARD TO TAKE ANY OTHER ACTION OR TO PASS ANY OTHER ACTION OR TO PASS ANY OTHER VOTE RELATIVE THERETO. (SCHOOL BOARD RECOMMENDS APPROVAL ONLY UPON REJECTION OF ARTICLE 1 ABOVE.) (A BALLOT VOTE AND 2/3 MAJORITY IS REQUIRED TO APPROVE THIS ARTICLE.)

Bob Mann explained renovation work, water, heating system, ventilation system, vapor barrier, plumbing.

A motion was made by F. LeMay and seconded by S. MacCleery to call the question.

MOTION PASSES VOICE VOTE

Polls declared open on Article 2 for one hour at 1:35 P.M.

Motion made to bring Article 10 to floor by J. West and seconded by K. Klapproth.

MOTION PASSES VOICE VOTE

Article 10: TO SEE WHAT SUM THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE FOR THE SUPPORT OF SCHOOLS, FOR THE PAYMENT OF SALARIES AND BENEFITS FOR SCHOOL DISTRICT OFFICIALS AND AGENTS AND FOR THE PAYMENT OF STATUTORY OBLIGATIONS OF THE DISTRICT.

Paul Twomey continued budget expenses to the end. Questions and discussion ensued. Motion was made by MacCleery and seconded by T. Phinney to recess for fifteen minutes.

MOTION PASSED

Vote in on Article 2 --

173 votes cast -- 155 YES 18 NO (2/3 majority - 116)

ARTICLE 2 PASSES BY BALLOT VOTE

A motion was made by MacCleery and seconded by Klapproth to bring Article 10 to floor.

PASSED

Discussion ensued on principal salary. A motion was made by Mr. Barker and seconded by P. Prescott to limit further debate on Article 10 purpose 2400-2499.

MOTION CARRIES VOICE VOTE

A motion was made by T. Phinney and seconded by H. Barker to amend the 1100 purpose by \$27,010 to read \$1,136,903.

MOTION DEFEATED - 27 AYES 66 NAYS BY SHOW OF HANDS

Motion made by Gary Palmer and seconded by R. Morrison to move the question.

MOTION CARRIES VOICE VOTE

A motion was made by S. MacCleery and seconded by H. Barker to accept Article 10 bottom line amount to read: \$2,460,648.

MOTION CARRIES BY SHOW OF HANDS--48 AYES 43 NAYS

Article 12: TO TRANSACT ANY OTHER BUSINESS THAT MAY LEGALLY COME BEFORE SAID MEETING.

A motion was made by Klapproth and seconded by MacCleery to adjourn this meeting.

MOTION PASSED WITH VOICE VOTE

The meeting recessed at 3:45 P.M.

March 11, 1997

The polls were opened at 10:00 A.M. by Moderator Marsh for the purpose of voting.

The polls were closed at 7:00 P.M. and ballots were counted with the following results:

SCHOOL BOARD	Robert Mann	3 years
CLERK	Carol Egan	1 year
MODERATOR	Peter Marsh	1 year
TREASURER	Evelyn Pike	1 year
AUDITOR	John Saturley (write-in)	1 year

Senate Bill 2 question on ballot -

179 YES

218 NO

The Chichester School District annual meeting officially closed March 22, 1997.

Respectfully submitted by,
Carol Egan, Clerk
Chichester School District

REPORT OF SCHOOL DISTRICT TREASURER

For the Fiscal Year July 1, 1996 to June 30, 1997

SUMMARY

Cash on Hand July 1, 1996	94,818.57
Received from Selectmen	<u>1,893,566.00</u>
Revenue from State Sources	<u>89,838.09</u>
Received from Other Sources	<u>122,653.79</u>
TOTAL RECEIPTS	<u>2,106,057.88</u>
Total Amount Available for Fiscal Year	<u>2,200,876.45</u>
Less School Board Orders Paid	<u>2,147,254.44</u>
Cash on Hand July 1, 1997	<u>53,622.01</u>

Evelyn Pike
District Treasurer

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the Treasurer of the Chichester School District and compared them with the records at the office of the Superintendent of Schools in Pembroke.

I find the cash balance to be exact and correct.

I have also examined the books of the School Lunch Director and find them to be correct and monies reported by her to be exact and correct.

John L. Saturley
Auditor

REPORT OF THE CHAIRMAN OF THE SCHOOL BOARD

Our school system has seen a year of tremendous change, with many exciting developments to the institutions the most contribute to our sense of community. In order to meet pressing needs of her family, Martha Caldwell found it necessary to relocate back to Maine. While we dearly miss her tremendous energy and commitment to education, we were truly blessed by her efforts to reexamine and reconstitute the curriculum so that our children are equipped with the intellectual tools necessary in a very complex world. Because of the short amount of time available, we prevailed upon Sue Williams to take on the immense task of acting as interim principal while the search for a new principal is conducted. She took on these duties and has done a wonderful job, for which I would like to express deep admiration and gratitude, both personally and on behalf of our entire community.

In the past two years, the school has completely revamped the course of studies in both math and language arts. Thanks to a tremendous amount of work on the part of the staff and administration, the changes were accomplished smoothly. This year the Board has asked the staff to begin a thorough review of the science curriculum, in order to create one appropriate to life at the end of the twentieth century.

Thanks to the efforts of a committed team of both staff and community members, Chichester was selected to receive a \$20,000 Goals 2000 grant. These funds (which arrived with no mythical strings attached) are being used to provide a tremendous amount of training for the staff to enable them to integrate the computer technology into the classroom. We have made a major investment in computers over the past few years and hope to maximize the benefits returned by having a staff that is able to make the greatest possible use of this technology.

Perhaps the most exciting change at the Central School has been the addition of a kindergarten program, thanks to the overwhelming vote of the citizen's at last year's district meeting. While we had anticipated utilizing space in an existing town building, the cost of adapting any of these to make them fully handicapped accessible proved to be prohibitive. As a result, we leased a portable classroom. Given the great increase in state aid available for building of kindergarten space, the Board is recommending that we build a permanent kindergarten this year. Because the state aid is so large at present, we can build for close to the cost of leasing space for a year, without the need to issue a bond. The kindergarten program is simply wonderful-- the teachers are innovative and devoted-- and Chichester is a better

place because of it.

Another welcome addition at the school is the new breakfast program, which makes use of our existing facilities at time when they were previously idle. The program is operated at no cost to the local taxpayers and ensures that all of our children can start the day with a nutritious meal.

A continuing success story is the reading program at the school. Thanks to a wonderful program called reading recovery, which consists of intensive intervention early, we have seen remarkable results in the early grade reading skills of the children. At the end of last year, every single child in the second grade was reading at or above grade level! As time goes on this type of early effort should greatly reduce the need for remedial work at later ages.

For years Chichester has been the recipient of funds from the Leavitt Trust. Because of a strange pattern in the receipts noticed by Doug Hall, the Board decided to investigate what was going on with the trust. A resulting investigation by Doug revealed that the bank acting as trustee was underpaying us and overpaying themselves. As a result of negotiations, we were able to almost double the amount of funds available to the town for educational purposes.

We were able to replace our aging and inefficient heating system and replace our failing plumbing and ventilation systems this year. A new well was dug just in time for the driest summer in memory-- as a result we are still not sure the well will suffice to meet the needs of the school on a long term basis. Hopefully we will have more complete information by the time of the meeting. As a result of a couple of actions taken over the past 18 months, the bubbling in the gym floor was markedly decreased this year (although this could also be a result of the same dry summer). While the only long term solution is to tear out the floor, we are hopeful that the trenching and ventilation changes will extend the life of the floor by many years.

Many challenges remain before us. The results of the state proficiency testing reveal shortcomings in the education we are providing the students, most notably in the science area. The Board and staff are committed to a continuous and rigorous reexamination of the curriculum. Our goal is not adequacy but excellence-- we want people around to talk about and envy the educational system in Chichester. At present, some of our programs are grossly inadequate due to space shortages. We were forced to split a classroom with partitions this year, resulting in two substandard classrooms. We still fail to meet state minimum standards because we have no rooms for art or music. Last year saw an enormous increase in building permits and the resulting houses will be coming on the market in the next 12 to 18 months. These will inevitably be filled with children. The space crunch is a problem that will not go away and we should not delude ourselves by believing otherwise.

Hopefully a fairer and more equitable funding mechanism will be the result of

the Claremont decision. Under the present system, our school rate is about 50% higher than it would be if there were a uniform tax rate. This results in an exorbitant and inequitable burden on all our taxpayers and especially upon our elderly with fixed incomes. We should not have to choose between bankrupting our elders and shortchanging our children, so that people in wealthier communities don't have to pay an equal tax.

The Board has undertaken a study of how time is being used at the school. During the next year we will be reviewing the student's use of time, the teacher's use of time, the length of the school day, the length of the school year, the starting and stopping times of school, the length and times of vacation. Many of the practices relating to the use of time grew in response to conditions that may now longer exist, for example the need for the labor of children in haying and harvesting crops. We want to make sure that we aren't simply continuing practices that are no longer productive or even counterproductive.

We are hopeful to attract a private organization to provide an after school program for those families where the parent or parents need to work past the dismissal time.

Our relationship with Pembroke Academy remains problematic. The dismal showing of the Academy on the statewide testing demonstrate serious problems. On the other hand, the principal and curriculum director of the Academy are talented and committed individuals who have developed a far-reaching vision for profound changes. As always, the key question is resources. It remains to be seen whether the Academy will receive the support it needs to turn around. We are asking the community to engage in discussion about our relationship with the Academy during this year's meeting and to give us guidance on where the Town wants to go. Again, the eventual outcome of the Claremont decision is likely to have massive implications for Pembroke Academy. Over the past two years we have been able to get Pembroke to allow us to sit on the building, curriculum and budget committees of the Academy. While we are deeply appreciative of these changes, the fact remains that we are completely disenfranchised in terms of the final budget at the Academy, which is set by the town of Pembroke alone. This year we may be faced with a decision that will lock us into this unequal relationship for another 15 years. I urge everyone to acquaint themselves with the facts and take part in the deliberations.

In summation, we have had many successes in the past year, but major challenges remain to be overcome before we can say that we truly are providing the best education possible for our children. In discussing the challenges, in debating the proper course to take for the future, we should not lose sight several key realities---we truly are a community, it is our school above all that binds us as a community,

and that school remains a safe, warm and nurturing environment for our children that is staffed by hard working and dedicated teachers.

Financial resources, committed staff and a visionary administration for leadership are all elements critical to the creation of great school. Outweighing them all however is the critical necessity for the support of the community. In this regard, our school has been truly blessed. Throughout the year many citizens of Chichester unselfishly donate their time and efforts in volunteering at the school. People help out in the office, at the library, in tutoring, in special presentations about various careers, in teaching enrichment courses, in coaching sports and cheerleading, in raising funds for school activities. The Board gives out an award each year to a person or persons to recognize their efforts and the efforts of all the other volunteers. Last years award was shared by Joyce and Frank Lemay, who earned it through literally hundreds of hours of hard work donated to our community. To them and everyone else who pitched in, the Board wishes to express a heartfelt thank you. To anyone else with time or talent to share with children, we extend the invitation-- join us and share in the wonder of learning! Become active in the PTO or call Katie Ruoff, our dedicated coordinator of volunteers.

Paul Twomey
Chairman
Chichester School Board

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF CHICHESTER,
QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Chichester Central School in said District on the 7th day of March, 1998 at 10:00 o'clock in the morning to act upon the following subjects:

1. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and to pass any vote relating thereto.
2. Shall the School District accept the provisions of RSA 198:20-b providing that any school district at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the school board to apply for, accept and expend, without further action by the school district, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year.
3. To see if the District will vote to authorize the School Board to accept and to expend gifts and donations from any source on behalf of the School District.
4. BY PETITION: To see if the District will vote to raise and appropriate up to the sum of six hundred forty thousand eight hundred twenty five (\$640,825) dollars for the purpose of constructing, furnishing, and equipping a new addition to the Chichester Central School.

School Board Does Not Recommend Approval

5. To see if the District will vote to raise and appropriate the sum of up to \$5,000 from surplus to fund balance to be added to the Special Education Trust Fund previously established, and to authorize the use/transfer of up to \$5,000 from the June 30, 1998 fund balance for this purpose.

School Board Recommends Approval

6. To see if the District will vote to appropriate up to the sum of \$147,405, and to raise by general taxation \$36,851 of that figure, for the purpose of constructing, furnishing and equipping a new one classroom kindergarten addition to Chichester Central School. The addition will allow for the removal of the modular unit in front of the school building and for a \$12,600 budget reduction for the modular's annual leasing/operation expense. Projected cost to the Chichester School District is:

<u>YEAR</u>	<u>ESTIMATED AMOUNT</u>	<u>TAX IMPACT</u>
In 1998/99	\$36,851	\$.41
In 1999/00 and ensuing years	0	0

NOTE: Tax Impact estimates do not include effects of \$12,600 annual savings due to removal of modular unit.

School Board Recommends Approval

7. To see if the District will discuss issues related to Chichester's continued participation in the A.R.E.A. high school agreement with Allenstown, Epsom and Pembroke.

8. To see if the District will vote to authorize the School Board to arrange for an annual financial audit in compliance with RSA 671:5, by an independent public accountant from outside the District. This action is intended to replace the past practice of electing a School District auditor.

9. To see if the District will vote to approve the cost items as set forth in the collective bargaining agreement reached between the Chichester School Board and the Chichester Teachers' Association for the 1998/99, 1999/00 and 2000/01 fiscal years which calls for the following increases in salaries and benefits:

Year 1998/99	\$34,645	
	<u>Minimum</u>	<u>Maximum</u>
Year 1999/00	\$32,065	\$46,244
Year 2000/01	\$31,426	\$48,649

and further to raise and appropriate the sum of \$34,645 for the 1998/99 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits agreed to by the Chichester School Board and the Chichester Teachers' Association.

School Board Recommends Approval

10. To see what sum the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents and for the payment of statutory obligations of the District.

11. To choose Agents and Committees in relation to any subjects embraced in the Warrant.

12. To transact other business that may legally come before said meeting.

Given under our hands and seal this 16th day of February, 1998.

Paul Twomey
Douglas Hall
Robert Mann
CHICHESTER SCHOOL BOARD

CHICHESTER SCHOOL DISTRICT WARRANT

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF CHICHESTER,
QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Grange Hall in said District on the 10th day of March, 1998 at 10:00 in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To choose an Auditor for the ensuing year. (Only to be voted in the event that School District Meeting action was not taken to authorize School Board appointment of auditor.)

The polls are to open at 10:00 A.M. and will close not earlier than 7:00 P.M.

All other School District business to be conducted at the regular School District meeting as otherwise posted.

Given under our hands at said Chichester this 16th day of February, 1998.

SUPERINTENDENT OF SCHOOLS REPORT

DECODING SPECIAL EDUCATION

Special education has been a topic of much attention in recent months among the media and governmental agencies. It has become a highly charged and sometimes emotional issue when school budgets are developed and considered by taxpayers. The dollar amount is significant and frustration is evident as people are told "It's the law - we must fund these expenses." However, there is much more to special education than solely expenditures. It is important to closely monitor the costs of special education to seek savings whenever possible and to recognize why friction between regular and special education has developed, but also to understand its structure and some of the ways it benefits individuals and the community.

Special education became an integral part of the public school system when federal laws were passed about twenty years ago stating that all children were entitled to a free public education. Prior to that children with severe disabilities were generally kept at home or sent to institutions. Children with less severe problems may have been enrolled in public school but schools were not required to specifically adapt either programs or facilities to accommodate them. Under special education laws adopted at both federal and state levels, all children from ages 3 to 21 are now entitled to be appropriately educated at public expense in the least restrictive environment possible. Public schools are obliged to provide programs to meet children's various needs either locally or at an out-of-district placement. Any disability which interferes with a child's full participation in public education may fall under the umbrella of special education law. Included are physical, developmental, and emotional as well as cognitive (learning) disabilities. Nationally, about 14% of students are identified as educationally disabled. In Chichester, this percentage is currently 11%.

Irreconcilable Differences, a recent article in the Journal of Law and Education by Bruce Meredith and Julie Underwood, both attorneys specializing in education law, outlines some key elements which separate special and regular education:

<u>SPECIAL EDUCATION</u>	<u>REGULAR EDUCATION</u>
1. Focus on individual goals and achievement. Programs and expected results are student specific.	1. Focus on group instruction. A standard curriculum and school-wide results are stressed.
2. Individual parents or student advocates have significant involvement in deciding the nature and extent of a child's educational program.	2. The community and its taxpayers decide what level of programming will be offered to the students attending a specific school.
3. The cost of the program is secondary to the needs of the student and the desired results. Cost cannot legally be a determining factor.	3. An expenditure level is determined and programming is structured to exist within the parameters established.
4. Accountability and specific services are mandated by federal/state law. Schools are obligated to comply under threat of court sanctions.	4. Accountability is local. There are few mandated standards or services and limited federal/state oversight.
5. Special needs standards encompass socio-economic and environmental factors. The necessity for differing rules and expectations often results.	5. Differing academic and behavioral standards appear unfair and inconsistent to the regular population. Classroom dynamics and atmosphere may be adversely affected.

Children can be referred for special education consideration by a family member, physician, the courts, school staff or anyone who has reason to believe an "educational disability" may exist. A team composed of school staff, parents or guardians, doctors, child advocates and other specialists is then assembled to decide what steps are appropriate. Various evaluations and assessments - educational, medical or psychological - may be required. If the child is found to have an educational disability, a specific plan called an Individual Educational Plan (I.E.P.) is developed by the team to meet the needs of the child. The school district is then obligated by law to follow this plan. Parents or other parties can appeal team decisions they do not agree with. Appeals may be directed either to the New Hampshire Department of Education to be settled through mediation or a formal "due process" procedure or to the courts. Current law allows non-school parties to collect attorney's fees from the district if they prevail. However, schools which prevail cannot seek similar compensation. Many schools spend a considerable amount of money resolving such cases, adding to the overall cost of special education services. Court-mandated services are usually unbudgeted and often expensive.

While we have had disagreements regarding placements or services for Chichester children from time to time, for the most part we have been successful in working to offer or develop satisfactory and appropriate programs. Chichester's special education costs are considerable, accounting for about 12% of the overall voted budget, but they are usually much more reasonable and controllable when students are educated in-district and enrolled in the regular classroom with supplementary support. This model frequently benefits all children as the additional support in a classroom allows everyone to receive more attention. Many strategies initially used in special education instruction represent good teaching for all students and are ultimately utilized within the general classroom setting.

One of the most important positive things to remember about special education is that it benefits Chichester children - your neighbor, your niece, your own child or grandchild. A special need is a part of the child but it is not the whole child. The boy with the reading problem may be a talented woodworker or artist; the girl with a physical handicap may be gifted mathematically. Given the opportunity to receive an education these children have the chance to enhance their strengths as well as remediate their weaknesses. Their futures should not and, by law, cannot be limited by their disabilities. Among education institutions, public schools alone are obligated by law to meet the educational needs of every child. Special education, while often an imperfect and frustrating mandate, is a key component in meeting this responsibility and reaching our ultimate goal of helping students to become contributing community members.

Respectfully submitted,
Thomas Haley
Superintendent of Schools

Chichester's First Public Kindergarten

Mrs. Cheryl Molleur, teacher, with the morning students.

Miss Kathy Lombardi, teacher and Linda Towle, para-professional, with the afternoon students.

PRINCIPAL'S REPORT

School opened once again in August, this year we began on the 27th with 244 students. As of December 19, 1997 our school population was at 254 which includes the new kindergarten enrollment of 24 students.

This year we welcomed several new additions to our growing staff, and a few familiar faces with new assignments:

Aimee Stevens	Reading Recovery/Reading Tutor
Brenda Wiswell	Grade 2
Bea Pszonowsky	Grade 3
Sandra Burnap	Grade 4
Paul Bourassa	Grade 6
Anne Lakeman	Grade 7
Nancy DeLew	School Psychologist
Cheryl Molleur	Kindergarten/Reading Specialist
Kathy Lombardi	Kindergarten/Reading Tutor

The addition of our kindergarten has had a wonderful beginning. Everything has worked out well for our very youngest students. The modular that is housing them is filled with happy faces and voices each day. Kathy and Cheryl have set up a very warm atmosphere for learning. Students enjoy a variety of activities that include; literacy, math, social skills and large and fine motor activities. Our kindergarteners have been able to experience the nurturing that comes from a staff dedicated to the needs of all children.

The building underwent some significant changes during the summer. New air circulators were installed in the classrooms, also new boilers were installed which allowed each individual classroom to control their own heat. This change has improved the efficiency and the expenditures in our heating costs, and improved our air quality.

Our special education aides were all assigned to classrooms to assist with those students with special needs. Two staff members are on a one-year contract covering a maternity leave and a change of position.

The Reading Recovery Program is in its 4th year at Chichester Central. The first grade program stresses problem solving, accomplishment, and independence in struggling readers. Daily one on one instruction is individualized for each student and progress is documented on a regular basis. When the reader is working at average or above in his classroom, he exits the program and another student takes his place. Four students are currently in the program and are continuing to make progress. Each child learns at his own pace, so the amount of time in the program varies for each child. If fully implemented, Reading Recovery will reduce the number of children needing special services in grades beyond first grade. It will produce children who feel successful in reading and who know several ways to problem solve independently.

The music, art and physical education are still managing to provide their best possible instruction with the limited space and time allotted to them. Art, music and physical education are teaching 14 classes in a two day schedule. Music and physical education has had to cut back to 30 minutes for instructional

time for grades 1-4. Other changes have included meeting every other week, taking turns during lunch recess, combining grades and alternating every other marking period.

The school is using Saxon math in grades K-4. The Saxon program is designed to introduce many aspects of math much earlier than the traditional textbook approach. It provides practice, drill, homework and a critical thinking component that encourages students to begin applying their math skills to their everyday living. Saxon has been a successful addition to the curriculum.

The language arts program that was purchased for the primary grades integrates the spelling, grammar, reading and creative writing into one language arts component. The new materials are theme based and are versatile enough to fit the teaching and learning styles of students and teachers. Considering the addition of so many beginning staff and combining that with the more experienced staff these new materials have been an excellent addition as Chichester experiences growth and change.

Technology has been in the forefront of so many initiatives and continues to be so. The school now has an additional five new computers. We also have a building technology committee that include: Jean and Jim Fifty, Jo Sanborn, Brenda Wiswell, Paul Bourassa, Lorraine Forest, Dianne Perry-Mann, and Jeff Scott. They have been meeting weekly to design a technology plan that will encompass our direction in technology for the next several years. The committee also becomes part of the District Committee with the addition of Gary Palmer, Mary Rubega, from the SAU, Judy Iriana, Pam Thomas, Lee Willelts, and Paul Adams. The two committees have put in many hours to provide direction and cohesiveness in the implementation of technology here in Chichester. The awarding of the Goals 2000 grant, written by Gary Palmer and Mary Castelli, have provided the necessary funding for planning and future training of the staff.

The middle school program provides a variety of classes for our older students. In addition to the regular core subjects, the program offers challenge math, study skills and advisory activities for all students. The students are also able to choose from soccer, baseball, basketball, and cheering coached by a dedicated group of parents and staff.

The hot lunch program has been under the supervision of Maxine Kosko with Holly MacCleery and Karen Judson as assistants. Maxine is providing our students with a variety of nutritious lunches, and breakfasts. The addition of the breakfast program has been very successful and continues to grow, with more students eating breakfast every day.

All facets of the Chichester school community have always worked together to make Chichester the special place that it has become. Dedicated teachers, parents, volunteers, aides, custodians, bus drivers, lunch workers, special education staff, guidance, the nurse and the secretary are all part of what makes Chichester thrive and progress.

I would like to thank the Chichester community for allowing me to serve as the Principal of the school this year. It has been very rewarding to work with the parents, staff and students on a different level and I have enjoyed the opportunity.

Respectfully submitted,
Sue Williams, Principal
Chichester Central School
